Krysta Richard is an Elementary Music Teacher in the Pembina Trails School Division, where she teaches K-4 Music in French and English. She is married, and a mom to two young boys. She is an avid sports fan, hockey being her favourite.

Krysta teamed up with Project 11 during the summer of 2019, when she filmed 10 intermission videos. The Music and Movement intermission videos are fun and interactive. Students will enjoy moving their bodies to different sounds in their own way. She joined by 3 former students and Head Coach of your Winnipeg Jets, Paul Maurice. Enjoy!
